In an effort to ensure teams weekly matchups we will try to have a sub list and encourage golfers to use it or to find their own sub (league member pays for sub play). Sub(s) earn 100% of points won in match.

The League is extending one "Wild Card" per team throughout the season. This "Wild Card" will be 1 no show allowed by a team (please inform team you're playing or Steve/Andy) and you will be able to make up your round, however you will lose 25% of your points earned on your make up round match. We need league members (subs) there weekly.

- BCC will have 2 bartenders prior to league start and provide a cart girl on the course. "6 pack of pounders for only \$10"
- We will have the "TF Browns Player Card" again for specials every week
- As always, BCC will accept payment in cash, check or credit card.

We have had interest in teams joining the League and as a player in good standing you will have preference through March 22nd. If you know of any teams interested please give them my phone number (585-734-2623), call or text and can always email too.

Any questions, see Steve, Rick or Chris.

Thanks,  
Steve
